

# Mobile App Installation and Configuration

## NUANCE APPLICATION MCH RECONFIGURE METHOD

### Step 1: Configure the PowerMic Mobile app

- **iPhone Users:** Once you have downloaded the app, click the following link from your smartphone to configure the application:  
[dmic://config\\_?NmsToken=NjJDMTVGNDQjNOY1Mi00MUExLUIxMjAtREJCNTREjRERjc1RUJB](dmic://config_?NmsToken=NjJDMTVGNDQjNOY1Mi00MUExLUIxMjAtREJCNTREjRERjc1RUJB)
- **Android Users:** Once you have downloaded the app, click the following link from your smartphone to configure the application:  
[http://config\\_?NmsToken=NjJDMTVGNDQjNOY1Mi00MUExLUIxMjAtREJCNTREjRERjc1RUJB](http://config_?NmsToken=NjJDMTVGNDQjNOY1Mi00MUExLUIxMjAtREJCNTREjRERjc1RUJB)

### Step 2: Log in using your Nuance Application Login ID

- Log into the Nuance desktop application, then log into the PowerMic Mobile app using your **Nuance Application Login ID** to automatically pair with the target application.
